Mark E. Hyman, DDS, MAGD - Dr. Mark E. Hyman is a renowned dentist from Greensboro, NC, and a public speaker whose work is characterized by his warmth, enthusiasm, sense of humor, and passion for dentistry. As an accomplished seminar speaker, he has lectured throughout North America and Europe at every major dental meeting. Dr. Hyman has earned national and international recognition for his seminars. Since 2001, Dentistry Today magazine has selected Dr. Hyman as one of the top speakers in dentistry. He loved is thirty-two years in private practice, and currently serves as an Adjunct Full Professor and Special Assistant to the Office of the Dean at the UNC Adams School of Dentistry in Chapel Hill, NC.

Dr. Hyman received his BS from the University of North Carolina at Chapel Hill and DDS degree from the University of North Carolina School of Dentistry. After receiving his dental degree, Dr. Hyman underwent a four-month internship as a volunteer dentist in Israel and Two-Year General Practice Residency at Oral Medical at the University of North Carolina in Chapel Hill.

Course Description: Dr. Hyman’s mission is to *energize dentists and their teams*, helping them to reconnect with the zeal that propelled them into this highly fulfilling profession. He will show you how simple, yet powerful changes can turn a struggling practice into a *profitable, productive, and joy-filled environment*.

Listen, learn, and laugh your way through a fast-paced, humorous review of “A Day in the Life” of a dynamic real-world private dental practice. Learn how to capitalize on one other’s skills to improve the productivity of your practice and the quality of the service your team produces. Learn systems you can implement today to lower stress, prevent burn out, and increase your enjoyment of dentistry.

At the conclusion of this course, the attendees will know how to:

1. Review clinical cases from the doctor’s and team’s perspective
2. Debate the fact “communication is a wonderful thing – you should try it sometime
3. Employ systems to lower stress and prevent burnout
